The Boy Scouts of Troop 210 cordially invite the Webelos and AOL Scouts of Pack 210 to join us at our annual fall *AOL/Webelos Invitational* cabin campout at Camp Miakonda the weekend of November 13-15.

Troop 210 Boy Scouts can help you earn several **Arrow of Light** Outdoor Adventurer and **Webelos** requirements.

The activities for this campout will be based upon the needs of each Den, but can include: *cooking, fire building, first aid, knots, etc.* A night hike is planned for Saturday night and you can work with our Scouts on the *Whittlin' Chip* or other Webelos elective advancements in your spare time. Parents and siblings are invited to join us for the Saturday night dinner (please RSVP).

At least one adult must attend for every 2-3 boys camping. If any moms wish to stay the night, sleeping arrangements are available. You are welcome to come and go as needed to participate in other activities, as long you sign in and out at the camp master's cabin near the foot bridge. If you are just staying for the day, pay only for the meals you eat with us (see costs below).
