

Kroger Community Rewards

- Enrollment Instructions -

The Kroger Community Rewards program is offered as a way to assist local non-profit groups. A percentage of what you buy at these stores (up to 5% maximum) will be donated to a designated group quarterly.

The program is strictly voluntary. Money goes directly to the Troop and is used to pay for normal Troop expenses and to reduce the fees charged Scouts for activities. Participation costs you nothing and you do not need to pay in advance to pre-load cards.

Kroger Community Rewards Troop 210 Code: 82006
